Property Details

Overview

Eagle Park is a modern, speculative development offering trade counter, warehouse and workshop units in a highly visible, accessible location to the north of Derby, fronting the A61. The scheme is well suited to businesses needing functional space with good transport links.

- Prominent location on a major arterial route (A61), enhancing visibility and accessibility.
- Flexible unit sizes to accommodate small and mid-sized industrial, trade counter or workshop occupiers.
- New build specification – meaning more efficient / modern facilities compared to older stock.
- Good frontage in Phase 2, especially for businesses that benefit from road visibility.
